Re: Public comment related to LC9022

In July, the EQC approved draft legislation to eliminate the Alternative Livestock Advisory Council. This legislation is related to HB142, which requires interim committees to review statutorily required agency reports and statutorily established advisory councils.

The documents were posted for a 30-day public comment period that ended on August 22. A request for comment was posted on the EQC Listserv, included in the *Interim* newsletter, and sent out on Newslinks.

No comments were received by the deadline. The draft legislation has been attached.

If any comments are received in the meantime, copies will be provided in your meeting folder on September 12.
